
Emily Faulkner (b, 1890's) to James Faulkner

My father is Emily's (Faulkner's) son. Emily moved to Canada in the early 1900's and married Charles Robinson. Are there still Faulkners living in Paulesbury? My father is genuinely interested to finding out if any of his mother's brothers or sisters are still alive/ and more about the Faulkner side of the family. Please reply if you can help.
